 UNDERGRADUATE RESEARCH & FELLOWSHIPS EURēCA Judging Form	The poster presentation indicates that the student...	
	0-10 pts	...is below expectations with respect to this learning outcome
	11-20 pts	... meets expectations for this learning outcome
	21-25 pts	...has exceeded expectations for this learning outcome
Learning Outcome	Indicators	Score
Relevant work acknowledged Identify and utilize relevant previous work that supports the research	<ul style="list-style-type: none"> Clearly situates current work in an appropriate scholarly context Acknowledges the conceptual and methodological foundation provided by previous work Identifies the novel contribution of the present work to the field/society 	(0-25)
Significant question or creative objective Articulate a timely and important research question or creative objective	<ul style="list-style-type: none"> Explicitly states the research question or creative objective Explains why the research question is important and timely The research question or creative objective follows logically from the previous work cited 	(0-25)
Appropriate methodologies Identify and utilize appropriate methodologies to address the research question or creative objective	<ul style="list-style-type: none"> Clearly explains methods: explicitly links methods to the research questions or creative objective Acknowledges limitations of the methods used Clearly presents results; explicitly interprets results with respect to the research question or creative objective 	(0-25)
Effective conference presentation Present the research effectively in a conference setting	<ul style="list-style-type: none"> Poster display is well-organized and professional; tables and figures present content effectively Presents the work concisely and precisely; presentation is well-practiced Responds to questions thoroughly and thoughtfully. Please ask questions! 	(0-25)

If observed, please feel free to comment on the evidence of the student's achievement for the following learning objectives:

- Reflect constructively on the research experience, identifying what was learned, personal strengths and opportunities for growth, and how the experience informs their future educational and career goals.
- Work collaboratively with other researchers, demonstrating effective communication and problem-solving skills.
- Meet the relevant field's standards for the responsible conduct of research, and effectively navigate challenges that arise in the research process

Instructions for Judges

- **Please visit the ASSIGNED POSTERS**

If you have a conflict of interest (personal or professional relationship with poster presenter) or if the presenter is not at the poster after multiple attempts, please see your division representative for further instruction

- **Critically evaluate each Poster presentation according to the rating scale and the indicators listed in the rubric.**

- The results will be used for program evaluation.

Anonymized and aggregated scores and comments may be shared with the student and faculty mentor

- **You MUST enter your scores in the ROCKETJUDGE online platform to be counted. This sheet is for reference purposes only and is not a valid evaluation form.**

Thank you for your support of undergraduate research!
